New Life!

Our faith is all about new life! Jesus tells us in the Gospel that unless a grain of wheat dies, it is unable to produce fruit. His message is that through death we all have the possibility of new and everlasting life! Our faith is built upon this premise that all of us through the passion and resurrection of Jesus are able to live forever and always in heaven with God! Jesus has made that possible for us and we are fortunate to have been given this gift of faith!

However, arrival at the glory of the resurrection means that the passion must first come. Life on this side of the fullness of eternity offers its share of difficulties, struggles and suffering. However, these woes help us to realize our dependence upon God and allow us to share in the passion of Jesus who gave everything for our salvation! As we make our way through life, we can embrace the good and the challenging to always give God thanks and praise.

Our Lenten observances of prayer, fasting and almsgiving also help us to rejoice in the glory of Easter! They help us to recognize our need for God and make allow us to grow closer to God as we realize the gift of our own life and that in giving our life away, we gain life. That's the example that Jesus set and that's the message of the Gospel!

You may have noticed that we have new vestments at both churches! A memorial gift allowed us to purchase matching priest and deacon vestments for the entire liturgical year for both Saint Martin and Saint Walburga. I am grateful for this gift and I look forward to now updating our altar server cassocks and surplices at both churches as well. The CCW is helping with this wonderful effort to always make our worship a sign of giving our best to God!

God bless you,
Father Michael Kaluza
