“In the high-stakes drama all around us, we have each been given a part to play, one that bears our name and no one else’s. We each have the mercy of God to receive, a self to put to death, a Kingdom to gain, a battle to fight and spiritual enemies to slay, comrades to aid, rebels to win over... The ancient battle rages all around us, and the adventure we were born for beckons.”

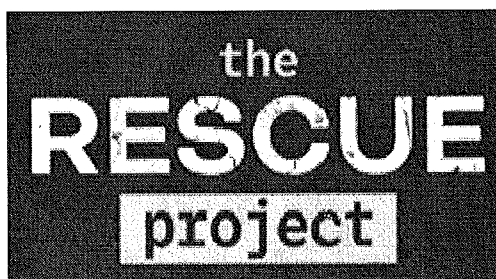

Have you ever asked yourself these questions?

Why is there something rather than nothing?

Why is everything so obviously messed up?

What, if anything has God done about it?

What is my role in all of this?

Many people never truly hear the gospel. Without that, the Christian faith is experienced only as a set of rules and discipline and leaves many unanswered questions.

Embark on the great adventure that is following Jesus and helping Him to win back His world by joining us for **The Rescue Project**, where together we will discover the **story** that provides the **answers**.
